IS 4-H RIGHT FOR ME?

The answer is YES! Harrison County 4-H is open to **all** youth who love "learning by doing." 4-H creates a positive, accepting atmosphere that encourages our youth to get physically involved in the learning process-- and each experience is different!

One thing is certain: EVERYONE is welcomed and accepted in our 4-H Program!

If your youth has an interest in an area or hobby-- chances are, 4-H has a program, project, or club for that! Harrison County Extension is always working to expand their opportunities so that all youth can find their passion and excel in it!

HCSS's goal is to teach life skills to 4-H youth through the shooting sports curriculum and activities that will enable kids to reach their fullest potential as capable, caring, and contributing citizens. We offer Archery, Rifle, and Shotgun-- and will continue expanding our disciplines as time goes on. These classes are taught by trained 4-H certified instructors. Here are the Steps to Join a Club Today!

FYI: Most Clubs re-organize between November-March. Below are 2 ways you can join a club in our County!

Option 1: Call a Club Advisor on our list and attend a few of the meetings. Talk to the advisors and get to know the members. If it is a good fit, the advisors will help you sign up and explain all of the fun opportunities that club members get to be a part of.

OR

Option 2: Call the Harrison County Extension Office at 740-942-8823 and our office will help you find a club that best fits your needs. Then, you can attend the next club meeting and proceed with signing up as a member!
