### **Current College Partners**

The following colleges have already agreed to participate as full partners in the LifeReady program. LifeReady graduates who are admitted to these colleges will receive the following benefits:

- ❖ Mount Union ~ Alliance, OH ~ \$1000 x 4 years; one student per year
- ❖ Muskingum ~ New Concord, OH ~ \$1000 x 4 years; unlimited students
- ❖ Eastern Gateway ~ Steubenville, OH ~ \$1000 x 2 years

### **Pending College Partners**

Some colleges anticipate becoming supportive as more and more LifeReady graduations occur. These include:

- ❖ Belmont ~ St. Clairsville, OH
- ❖ Marietta ~ Marietta, OH
- ❖ Allegheny ~ Meadville, PA

### **What about other colleges?**

As discussed during the Information Night, students planning to attend a non-partner college can ask us to investigate a potential partnership moving forward. This is particularly helpful for Sophomores and Juniors who have a strong idea re: college selection. *Note: several additional colleges have indicated they would consider becoming partners once they see student interest.*
